

## Destinations

### Paris:

Known as both the City of Love and Lights, Paris is the most popular tourist destination in Europe. This city is well renowned for not only its stunning views but also world-class cuisine.

### London:

With attractions like Big Ben and Buckingham Palace, London is home to many marvels of human architecture. The city is a great choice for people who are interested in the unique and rich history of England.

### Bangkok:

Bangkok is the most popular destination in the world, and for good reason. With its abundant parks and beaches, this destination is ideal for people who want to really get out there and experience mother nature.

## Cuisine:

### Ratatouille:

Originating from Nice, Ratatouille is a colorful vegetable stew well known for its inclusion in the popular Disney movie of the same name. seasoned with a variety of herbs and spices, France is the best place to have a taste of this unreal dish.

Video of locals discussing how to make this dish:
